

# TERRY GYSELINGS

## Computer Engineering Student

**Full-stack developer internship**

+33 6 10 03 30 53 terry.gyselings@etudiant.univ-rennes.fr

## CONTACT

Rennes, FRANCE
(Open to relocation)

Driving licence (category B)

https://terrygyselings.github.io/

Recognised disabled worker status (no adjustments needed)

## EDUCATION

**Engineering Degree in Computer Science (in progress)**
ESIR, Rennes — **2028**

**Software Developer, Work-Study Programme**
CESI, Bordeaux — **2025**

**Clinical Research Diploma**
University of Bordeaux — **2022**

**State Diploma in Radiography**
IFMEM, Bordeaux — **2015**

**Scientific High School Diploma**
LISA, Angoulême — **2010**

## LANGUAGE

- English: B2 level

## ACTIVITIES

- Bouldering and golf, practised weekly
- Japanese culture
- Travel (Japan, Canada, French Polynesia, Antilles)

## PROFILE

Now in the second year of ESIR's engineering programme, I already have two years of work-study experience and an internship in web development. Rigorous and self-reliant, I want to strengthen my Java and TypeScript skills on large-scale projects.

## SKILLS

| | |
|---|---|
| **Back end** | Java (POO, design patterns, JDBC/JPA), Node.js (Express, NestJS), PHP/Symfony, C#/.NET, C++ |
| **Front end** | Angular, TypeScript, JavaScript, HTML, CSS, Bootstrap 5, Tailwind |
| **Databases** | PostgreSQL, MySQL, MongoDB |
| **Tools & methods** | Git, Docker, CI/CD, agile methods |

## EXPERIENCE

### Software Developer - Intership
**La Banque Postale, Gradignan** — **June - August 2026**

- Designed and built an internal acceptance-testing web application for managing customer document compositions (PDF, SMS, email)
- Node.js, Express, EJS, Bootstrap 5, PostgreSQL

### Software Developer - Work-Study Program
**Bordeaux University Hospital (CHU)** — **2023-2025**

- Developed two business applications, alone and in a team: bonus request checking and internship request management
- Administered the Internet and intranet network and the staff directory
- PHP, JavaScript, JQuery, CSS, LESS, MySQL

### Radiographer
**Interventional and conventional radiology** — **2016-2023**

- Eight years of practice in private clinics and hospitals
- Transferable skills: rigour, autonomy, interpersonal skills, ability to learn
